

CITY LAKE RESIDENCE

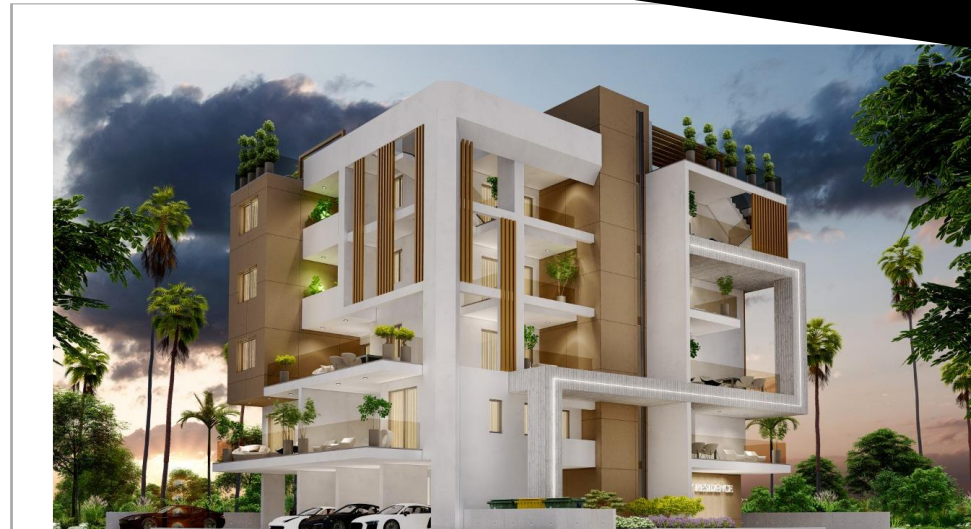

SALT LAKE VIEW APARTMENTS

CITY LAKE RESIDENCE, is comprised of 9 1-, 2-, and 3-bedroom spacious apartments with coinciding number of bathrooms in each and boasts state of the art modern design features very rarely presented on residential apartment blocks. City Lake breaks through the standard mould and launches the design of residential apartment buildings into a new era, where external design is of equal importance to the comfort, practicality and luxury of the internal areas.

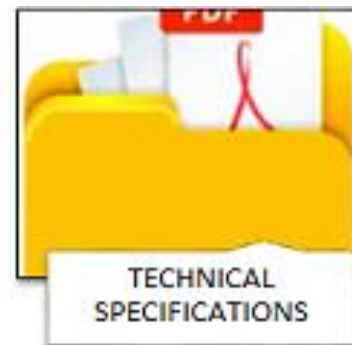

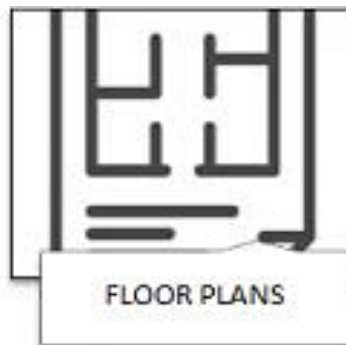

Spacious bedrooms, large and plentiful verandas, penthouse roof gardens with panoramic views, Italian kitchens, granite worktops, top quality sanitary fittings along with storage room, covered parking and finishing of your choice are all features offered on this project.

Located on a raised corner plot in between the Salt lake and large park which sits directly opposite it, offering more in the way of privacy while having a very open and airy feel to it.
